IN THE SUPREME COURT OF INDIA

CIVIL WRIT JURISDICTION

I.A. No. \_\_\_\_\_ OF 2015

IN

WRIT PETITION (CIVIL) NO. 833 OF 2013

IN THE MATTER OF:

Aruna Roy & Anr.

...Petitioner(s)

Versus

Union of India & Ors.

...Respondent(s)

APPLICATION FOR BRINGING ADDITIONAL DOCUMENTS  
ON RECORD WITH SUPPORTING AFFIDAVIT

To,

The Hon'ble Chief Justice of India

And His Companion Justices

Of the Supreme Court of India

Petitioner respectfully submits as follows:

1. That the above mentioned Writ Petition (Civil) 833 of 2013 is pending final disposal before this Hon'ble Court. That this Writ Petition was batched together along with other similar petitions challenging the

constitutional validity of the "Unique Identification Number System" and the "Aadhar Card Scheme" on various grounds. All these petitions challenging the "Aadhar Card Scheme" were referred to a larger bench by an order of this Hon'ble Court dated 11/08/2015.

2. The Petitioners, who are social workers working for the upliftment of the economically and/or socially backward classes, filed the above-mentioned Public Interest petition - being aggrieved *inter alia* by the implementation of the 'Unique Identification Number' System (UID) which has now been linked to various Welfare Schemes.
3. That the below mentioned documents could have not been filed as the same were not available with the petitioners at the time of filing of this petition and therefore were not brought on record before this Hon'ble Court. Further, it is submitted that a fresh bunch of Interlocutory Applications were moved by the Union of India and other respondents asking for modification/clarification of the Interim Orders that were passed by this court along with the reference order on 11.08.2015.
4. That the following additional documents are necessary to adjudicate this matter finally as they outline how infact the Aadhar scheme has led to multiple exclusions at both the state and Central levels. Many individuals have been excluded from a range of important social service schemes available merely on the ground that they did not possess an Aadhar Card, which is clearly in contravention of the Orders passed by this Hon'ble Court. These exclusions also highlight how multiple identifications necessary for accessing various schemes

is still the best way forward.

5. The following documents highlight a pattern of violations of this Hon'ble Courts orders by the respondents, and other authorities, which are mandated under Article 144 of the Constitution, to act in aid of this Hon'ble Court.
6. The documents numbered as Annexures A-1 to -26, are all affidavits by persons who have been denied access to basic services by government authorities solely because they do not have Aadhar numbers. The documents annexed as affidavits herewith are as follows:
  - i) A copy of an affidavit dated 18<sup>th</sup> June 2015 in the name of Lakshmi Devi w/o Nathuram and describes how she was denied work at an MGNREGA worksite in Bhim, Rajsamand, Rajasthan by the official of the gram panchayat solely because she did not possess an Aadhar card. A true copy of an affidavit dated 18<sup>th</sup> June 2015 in the name of Lakshmi Devi w/o Nathuram is marked as **Annexure A-1** (from pages 19 to    ).
  - ii) A copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Jean Dreze s/o Jacques Dreze and details the problems faced by workers desirous of being employed at MGNREGA sites in Jharkhand due to lack of a UID number. The affidavit and its accompanying annexures show how NREGA workers who were otherwise eligible for work were not even being allowed to apply

for work under the MGNREGA Act without also submitting an Aadhar number. This illustrates the overt coercion imposed by the government on its citizens to ensure that they enroll for an Aadhar number. A true copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Jean Dreze is marked as **Annexure A-2** (from pages 20 to 23).

- iii) A true copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Sanjay Kumar s/o SP Chadha and describes how he was denied a voter identity card from the authorities at the Election Commission, because he did not have an Aadhar card. A true copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Sanjay Kumar s/o SP Chadha is marked as **Annexure A-3** (from pages 24 to 26).
- iv) A true copy of an affidavit dated 4<sup>th</sup> August 2015 in the name of Inder Singh s/o Ghasi Ram and details the delay and difficulty faced by him in obtaining a caste certificate solely because of lack of an Aadhar card. A true copy of an affidavit dated 4<sup>th</sup> August 2015 in the name of Inder Singh s/o Ghasi Ram is marked as **Annexure A-4** (from pages 27 to 35).
- v) A true copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Manoj Kumar Mishra s/o Ramesh Kumar Mishra, a former officer from the Indian Forest Services and describes the SMS messages he has received from his bank with reference to the necessity of seeding his Aadhar number to his pension account,

and the impression conveyed by the tone and tenor of these messages about the necessity of an Aadhar number in order to operate his bank account for the purpose of accessing his pension. A true copy of an affidavit dated 3<sup>rd</sup> August 2015 in the name of Manoj Kumar Mishra is marked as **Annexure A-5** (from pages 36 to 39).

vi) A true copy of an affidavit dated 5th October 2015 in the name of Ajeet Kumar s/o Ramesh Chand, and describes how he has been denied a ration card because his children do not have Aadhar cards. His problems are compounded as both of his children are below 5 years old, but are being denied enrolment under Aadhar as the officials are denying enrolment by not following the prescribed procedure for them under the scheme. A true copy of an affidavit dated 5th October 2015 in the name of Ajeet Kumar is marked as **Annexure A-6** (from pages 40 to 43).

vii) A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Savita w/o Om Prakash, and describes how she was denied a ration card because her two daughters had not enrolled under Aadhar. It also details how her two daughters were not even able to enroll under Aadhar, despite applying for it, for no apparent reason. A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Savita w/o Om Prakash is marked as **Annexure A-7** (from pages 44 to 47).

- viii) A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Asha w/o Jai Karan, and describes how she had not been able to receive a ration card despite applying for it six months ago, ostensibly because she did not possess an Aadhar card, as she was informed by the Ration Centre Officer that ration card applications would not be processed without all members of the family submitting their Aadhar numbers. A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Asha w/o Jai Karan is marked as **Annexure A-8** (from pages 48 to 51).
- ix) A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Sayra w/o Mohammed Saeed and details the difficulty and delay she has faced in obtaining a ration card, despite applying for it a year ago, as she had not enrolled for Aadhar. She was informed by the Ration Centre that her application would not be processed without an Aadhar number. A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Sayra w/o Mohammed Saeed is marked as **Annexure A-9** (from pages 52 to 55).
- x) A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Sanjay s/o Hari Sahai speak of the difficulties faced by him in applying for a ration card because his children had not enrolled for Aadhar. He was told by the Ration Centre Office that his application would not be processed in the absence of an Aadhar card. machine used by the enrolment agency. A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Sanjay s/o Hari Sahai is marked as **Annexure A-10** (from pages 56 to 59).

- xi) A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Bahadur Lal s/o Bhola Verma and places on record the difficulty and delay that he faced in applying for the Old Age Pension scheme solely because his date of birth was incorrectly recorded at the time that he enrolled under Aadhar. It also brings onto record how officers at the Central Pension Accounting Office are insisting on an Aadhar number being supplied at the time of applying for pension. A true copy of an affidavit dated 5<sup>th</sup> October 2015 in the name of Bahadur Lal s/o Bhola Verma is marked as **Annexure A-11** (from pages 60 to 63).
- xii) A true copy of an affidavit dated 5th October 2015 in the name of Meena Arora and details the difficulties faced by her in recovering a matured fixed deposit from her bank because of a mistake in her demographic details recorded under her Aadhar number. The bank insisted that production of her Aadhar number was a mandatory requirement for recovering her Fixed Deposit, and because of this insistence, and an incorrect demographic detail recorded at the time she enrolled under Aadhar, she has not been able to recover the said amount. A true copy of an affidavit dated 5th October 2015 in the name of Meena Arora is marked as **Annexure A-12** (from pages 64 to 66).

Her two daughters were infact unable to enroll under Aadhar because they were too young, and her son was refused enrollment because the machine could not read his fingerprints at the time of enrollment. Her problems are compounded as her children are below 5 years old, but are being denied enrolment under Aadhar as the officials are denying enrolment by not following the prescribed procedure for them under the scheme. xxv) A true copy of an affidavit dated 5<sup>th</sup> October 2015 is in the name of Ramesh Chand s/o Babulal and details the difficulty faced by him in obtaining the benefits under the Ladli scheme which he was otherwise entitled to, solely because his two daughters were not enrolled under the Aadhar. He was informed by an official of the Ministry of Women and Child Development that his application would not be processed without both his childrens' Aadhar numbers. A true copy of an affidavit

dated 5<sup>th</sup> October 2015 is in the name of Ramesh Chand s/o

Babulal is marked as **Annexure A-25** (from pages 114 to 116).

7. In addition, the document numbered as Annexure A-26 is a report commissioned by the State Government of Andhra Pradesh, (specifically the AP Civil Supplies Contractor) carried out by the SSAAT (Society for Social Audit, Accountability and Transparency) in May 2015, to examine why a large number of beneficiaries did not take their rations upon the introduction of e-POS (electronic Point of Sale) machines for distribution of rations. The e-POS system requires the beneficiaries to possess an Aadhar number, and depends on the Aadhar data being seeded. The study, which examines five Fair Price Shops where 50 percent and above beneficiaries were "left over," finds that most common reason for the low off-take was because there was a finger print authentication failure, or because the e-POS machine wasn't used at all. Thus, this study contradicts the claims of the respondent government that the Aadhaar card has resulted in a huge saving to the government by weeding out fake entries, but demonstrates that its use has in effect acted as a barrier to entitled beneficiaries who are unable to access their entitlement for no fault of their own. A typed copy of the above mentioned survey report commissioned by the AP State Civil Supplies Corporation and carried out by the SSAAT dated 29.05.2015 is annexed herewith as marked as **Annexure A-26** (from pages 117 to 132).

117 132

8. Further, the documents numbered as Annexure A-27 to Annexure A-31 are all circulars issued by various Government Ministries, all of which direct government officials to ensure that the beneficiaries under various schemes have Aadhar numbers. These notifications and circulars illustrate the various means of explicit and covert coercion utilized by the respondent government and other authorities to ensure that citizens enroll for Aadhar, and highlight a pattern of deliberate coercion that the government is following to ensure that citizens enroll for Aadhar cards, in the absence of which they are to be denied entitlements that are otherwise due to them. The documents annexed as notifications and circulars herewith are as follows:
- i) A typed copy of a circular issued by the Ministry of Rural Development dated 18<sup>th</sup> February 2015 which highlights the lack of voluntariness in the process of enrolling for Aadhar as it states that workers who have not yet been enrolled for Aadhar were to be "escorted" to the nearest permanent enrollment centre is marked as **Annexure A-27** (from pages 133 to 134).
  - ii) A typed copy of a circular issued by the Ministry of Rural Development dated 14<sup>th</sup> July 2015 is marked as **Annexure A-28** (from pages 135 to 148). This further highlights the lack of voluntariness in Aadhar enrollment as it directs MGNREGA functionaries to personally visit the houses of workers who are not yet enrolled for Aadhar, and further directs them to escort

workers who are yet to be enrolled under Aadhar, to the nearest enrollment centre to ensure that they enroll.

- iii) A typed copy of the form for grant of Domicile Certificate issued by the Government of National Capital of Delhi dated nil which mandates the recording of either the Aadhar number or the enrolment number in order to even apply for domicile is marked as **Annexure A-29** (from pages 149 to 150). This highlights the coercion used by the Delhi Government to ensure that applicants apply for Aadhar..
- iv) A typed copy of a circular issued by the Government of Puducherry dated 08.04.2015 in respect of the Government of India's scheme "National Scheme of Incentive to Girls for Secondary Education" and directs all Principals/Headmasters of schools to ensure that eligible students who have not seeded their bank account with Aadhar number are not given the financial benefit under the scheme is marked as **Annexure A-30** (from pages 151 to 154).
- v) A typed copy of a letter issued by the Minister of Minority Affairs dated 13<sup>th</sup> January 2015 in respect of scholarships for children of minorities to be distributed through Direct Bank Transfer, and directs the concerned officials to ensure that the bank accounts of all students eligible for the scholarship schemes are seeded with their Aadhar numbers is marked as **Annexure A-31** (from pages 155 to 158).

9. That the said documents were not available with the petitioners and they form an integral part for this case. That it would be in the interest of justice to allow to bring the said additional document on record in light of the fact that fresh interlocutory applications have been moved by the respondents for modification/clarification of the Interim Orders.

### PRAYER

It is, as such, prayed that this Hon'ble Court may be pleased to:

- i) To bring additional documents as mention in Paras 6, 7 and 8 herein and filed with the Writ Petition as Annexures A -1 to A-31 on record.
- ii) Pass such other orders as may be deemed fit and necessary in the facts and circumstances of the case.

The facts leading to same are set out herein below. I have been permitted by the Petitioner in the present case to file the present affidavit before this Hon'ble Court to bring certain limited facts of this Hon'ble Court.
2. I say that on August 7, 2015, I have been denied work under the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) by Champa Lal, secretary of Kushalpura Gram Panchayat who insisted on my Aadhaar Card when I went to submit the MGNREGA application form at the Panchayat office.
3. I say that I have absolutely no interest in enrolling myself in the Aadhaar database and that I am being denied work because I don't have an Aadhaar Card, which is contrary to the orders passed by the Hon'ble Supreme Court. The insistence of an Aadhaar card in this mandatory manner is causing grave hardship to me and my family.

AFFIDAVIT

I, Dr. Jean Drèze, s/o Jacques Drèze, aged 56 years, r/o Department of Economics, Ranchi University, Morabadi, Ranchi 834001, presently Visiting Professor, Ranchi University, do hereby solemnly affirm and state on oath as under:

1. I have been permitted by the Petitioner in the present case to file and provide the present affidavit before this Hon'ble Court to bring certain limited facts of this Hon'ble Court, in support of the Writ Petition and prayer for interim relief.
2. I am associated with a help centre for workers employed under the National Rural Employment Guarantee Act (NREGA), located in the Block Office compound in Manika Block, Latehar District, Jharkhand. This help centre, managed by local volunteers under the guidance of Mr. James Herenj, was created in 2010 with the full support of the district administration.
3. I say that during the last few months, it has come to the help centre's attention that local functionaries, and specifically Gram Rozgar Sevaks (GRS), are refusing applications for work from NREGA workers who do not have a UID number. The annotation by Gram Rozgar Sewak clearly states that "jiskaaadhaar hogausika demand hoga", which means that unless the worker concerns enrolls for aadhaar, his/her demand for work would not be accepted. Consequently, workers without aadhaar are being deprived of work and consequent benefit under the NREGA. The refusal to accept work applications without UID is a clear violation of earlier orders of the Hon'ble Court, including its order of March 2015 stating that "no person shall be deprived of any service for want of Aadhaar number in case he/she is otherwise eligible/entitled".

Under Notarisation Act-1952  
Rule-10

3 AUG 2015

4. I say that in several cases, the concerned GRS agreed to state in writing that they would accept work applications only from NREGA workers who have a UID number. True typed/translated copy of one of the statements dated 21.04.2015, with signature/endorsement of the concerned GRS, is attached as **Annexure 1** to the present affidavit.

5. I say that James Herenj and I attempted to bring this evidence to the attention of the Hon'ble Court on 17 May 2015, when we sent the attached documents with a covering letter to the Hon'ble Court by email. However, in response we received (also by email) a letter from the Assistant Registrar informing us that "mails/letters received by email/post are not entertainable under the provisions of the Supreme Court Rules 2013". 1. I say that I am deposing in this affidavit after having been denied my Voter ID card, since I did not have an Aadhaar Number. The facts leading to same are set out herein below. I have been permitted by the Petitioner in the present case to file the present affidavit before this Hon'ble Court to bring certain limited facts of this Hon'ble Court.

2. I say that on May 7, 2015 I went to the Election Commission Office at Old Tehsil Bldg, Mehrauli, New Delhi-110030 to inquire about getting my Voter ID Card made. There I was informed by the officials that I would have to wait for a fortnight or more, since the staff was too busy linking Voter ID numbers with Aadhaar numbers. I

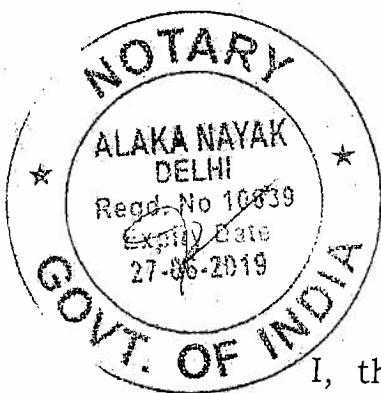

then enquired as to when an EC official could visit my residence once I submitted my application, which is when I was told that there was acute staff shortage so the verification could happen only later. The official then asked me if I had an Aadhar card. When I replied that I did not have one, I was told categorically by the said official that if I had no Aadhaar card, I will not be provided with a Voter ID card, as there was a directive to this effect and Aadhaar card is now a prerequisite for getting a Voter ID card.

3. I say that when I pointed out to the official that according to the Supreme Court directive, such a demand was illegal and no such demand could be made, the official who had told me this, folded his hands and sarcastically commented that he had made a mistake by divulging this information to me. Thus, ever since this incident, I have not been able to get my Voter ID card, due to the illegal actions/demands of the Election Commission officials.

I, Mr. Inder Singh, aged about 46 years S/o. Sh. Ghasi Ram R/o

 do hereby solemnly affirm and state an oath as under:

3. In case of any discrepancy please inform the Competent Authority.

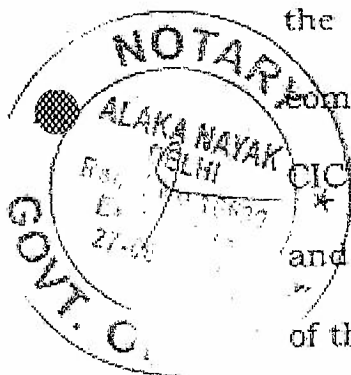

also because of the unique

1. I say that I am deposing this affidavit to state the difficulty and delay in obtaining a caste certificate and the delay and difficulty in obtaining the information relation to the status and delay of disposing of my application for the caste certificate by means of application for the sole reason that I have not enrolled for Aadhaar.
2. I say that I am aware of the fact that a number of writ petitions are pending before the Hon'ble Supreme Court challenging the constitutionality of the Aadhaar project and that there are interim orders of the Court stating that Aadhaar shall not be made mandatory for any purpose. I have been permitted by the petitioner in the said case before the Hon'ble Supreme Court to file the present affidavit before the Hon'ble Court to bring certain limited facts in relation to the same.
3. I say that I applied for a caste certificate in 2012, when Aadhaar Card was not an essential requirement for this. There was a huge delay of more than 6 months in responding to my application. I say that on 06.06.2013 I filed an RTI application to Sub-Divisional Magistrate Patel Nagar, GNCTD, Delhi querying for the status of the application.
4. I say that I was aggrieved by the order of the PIO and as well as the first appellate authority not giving me satisfactory information in relation to the status of the application and I preferred a second appeal to the Central Information Commission on 28.11.2014 and also because of the undue delay in disposing of my RTI Application.

5. I say that the CIC on the date of final hearing, was told by the APIO that Aadhaar was a mandatory requirement for applying for caste certificate and as I did not specify the Aadhaar number, the application could not be processed. I say that I pointed out to the CIC and the APIO representing the SDM that the interim orders of this Hon'ble Court instructing all authorities to modify all circulars, forms and the likes to indicate that Aadhaar is not mandatory and making Aadhaar not mandatory for availing any services.

6. I say that during the said hearing it became clear that the respondent Authority in that case had gone ahead and implemented a sweeping policy change of requiring Aadhaar as an essential requirement for a caste-certificate application to be processed, with widespread consequences without notifying or announcing to the public of such policy or requirement. It also became apparent that the authority was also reluctant to share the same requirement even when I applied to them querying for the status of my application and that this requirement was communicated only during the final hearing before the CIC. The CIC has rightly in its decision dated 8.12.2014 noted the same and has held the authority to be in violation of Sections 3 and 4 of the RTI Act. The copy of the said CIC order, reciting in detail the facts outlined above and the representations made by the respondent authority SDM and its decision is annexed herewith and marked as **Annexure AAA-1**.

## CENTRAL INFORMATION COMMISSION

(Room No.315, B-Wing, August Kranti Bhawan, Bhikaji Cama Place, New Delhi 110 066)

**File No.CIC/SS/A/2014/000518**

**Appellant** : **Mr. Indra Singh**

**Respondent** : **Sub-Divisional Magistrate  
Patel Nagar, GNCTD, Delhi**

**Date of hearing** : **28-11-2014**

**Date of decision** : **8. 12. 2014**

**Information Commissioner :** **Prof. M. Sridhar Acharyulu  
(Madabhushi Sridhar)**

**Referred Sections** : **Sections 19(3)of the RTI Act**

**Result** : **Appeal allowed/  
Disposed of**

**Summary:** Refusing to issue Caste Certificate on the ground of not having Aadhar card is unlawful and against the orders of the Supreme Court. Mechanical rejection of application, non-compliance of Section 4(1)(c) and (d) of RTI Act, imposing new conditions without prior information to the people are violations of RTI Act which would attract the penalty proceedings. Commission directs the respondents to declare reasons for the new policy/administrative decision both in Hindi and English languages, inform the appellant about fate of his application for caste certificate as asked under RTI and Commission also initiated penal proceedings.

The appellant is present. The Public Authority is represented by Mr. C.L.Meena, Tesildar, Patel Nagar, O/o SDM(Patel Nagar), GNCTD, Delhi.

**FACTS:**

2. Appellant through his RTI application dated 06.06.2013 had sought for information with respect to the application submitted for obtaining Caste Certificate i.e when the department recieved the application, copy of the application, details of the officer who dealt with the application, etc. Having recieved no information within the prescribed period, the Complainant prefered First Appeal. PIO thereafter replied on 09-07-2013. FAA by his Order dated NIL directed the PIO to provide the complete information. In Compliance of FAA Order, PIO responded on 17-02-2014. Being unsatisfied with the information furnished, the appellant has approached the Commission in Second Appeal.

**DECISION**

3. Both the parties made their submissions. The appellant made an application for caste certificate in 2012, when Adhar Card was not an essential requirement for this. There was huge delay in responding to his application. Meanwhile, as represented by the APIO there is a major change in the requirement for caste certificate. Now the adhar card is made essential, without which the application is rejected by the Computer itself as the new software does not accept the applications without aadhar card number. It is a serious policy issue which is affecting the people and creating the difficulties in getting the caste certificate.

Section 4 of RTI Act, says: Every public authority shall— (c) publish all relevant facts while formulating important policies or announcing the decisions which affect public, (d) provide reasons for its administrative or quasi-judicial decisions to affected persons.

From the RTI application of the appellant, it reveals that the Department has not made any public announcement as to the requirement of adhar card for issuing the Caste certificate which is a very serious policy decision affecting millions of people. Section 4(1)(d) of the RTI Act also mandates the Public Authority to provide reasons for its administrative or judicial decisions, affecting the people. This is an administrative decision of the public authority to impose Aadhar as a condition for securing the Caste Certificate. This was incorporated into the software and that is rejecting the applications for caste certificate mechanically finding no Aadhar card resulting in denial of other benefits based on the caste certificate. Thus the Public Authority has violated these two provisions of RTI Act which should have been voluntarily disclosed by the Public authority without somebody asking for information under RTI. The RTI Act made it clear that what a public authority should disclose on its own is different from the information that could be sought as a right by applicants by paying fee. Non-disclosure of obligatory information under Section 4 compels the people to pay Rs 10 and seek information under 3 which is against the spirit of RTI Act. The Public Authority has violated Section 4 and also Section 3 of the RTI Act by not providing it at least, in response to the application.

4. The appellant has quoted an order of the Supreme Court [**UIDAI Vs CBI (Special Leave to Appeal (CrI) No(s).2524/2014)**] stating that adhar card should not be an impediment in providing certain services to the citizens. In fact that information was given by the respondent department itself. In its Order of March 24, 2014, the Supreme Court said that an Aadhar card was not compulsory for availing any facility from a government authority and any authority making such a card mandatory would have to modify its circulars and notifications to that effect.

34

5. It is pathetic that even after the RTI application is filed long ago, such information was not given to the appellant. The Commission, therefore, directs the Public Authority to explain the reasons for formulating a policy of making adhar card number mandatory for issuance of caste certificate. For a long time they were issuing caste certificates without insisting on this new condition. It also their duty to inform the people that Aadhar card number has to be provided while seeking the Caste Certificate. It is breach of principles of natural justice to deny the certificate which they were getting all these years without informing them the change in the requirement. Whether a person is eligible to get Aadhar card or not, he would be certainly eligible to get certification of his caste. The PIO cannot take the excuse of absence of adhar card to deny the rights of the people. This was made very specific by the Supreme Court on several occasions. The Commission directs the PIO to explain why penalty cannot be imposed for denial of information and violation of RTI Act, within 21 days from the receipt of this order. The Commission directs the head of the Public Authority to explain the reasons for such policy which is in clear violation of orders of Supreme Court and their proposed action thereof to resolve the problems in the issue of caste certificates in the form of a policy document, which shall be placed on official website in both Hindi and English languages, a copy of which shall be served on the appellant and this Commission within one month from the date of receipt of this order.

6. The Commission also directs the respondent authority to inform the appellant about fate of his application for caste certificate within 15 days from the date of receipt of this order. The appeal is **disposed** of.

I say that I am aware of the fact that cases are pending before the Hon'ble Supreme Court challenging the constitutionality of the Aadhaar project and that there are interim orders of the Court stating that Aadhaar shall not be made mandatory for any purpose. I have been permitted by the petitioner in the said case before the Hon'ble Supreme Court to file the present affidavit before the Hon'ble Court to bring certain limited facts in relation to the same.

4. I say that I applied for a ration card in 2015. There was a huge delay of more than 6 months in responding to

5. I say that I was aggrieved by the inaction and the fact that the authority was not giving me satisfactory information in relation to the status of the application.
6. I say that on the date of application around 6 months ago, I was told by the Ration Centre that Aadhaar was a mandatory requirement for applying for ration card and as I did not specify the Aadhaar number, the application could not be processed. However, the said officer paid no heed and reiterated that Aadhaar was mandatory for obtaining a ration card.

1. I say that I am deposing this affidavit to state the difficulty and delay in obtaining a ration card of my children and the delay and difficulty in obtaining the information in relation to the status and delay of disposing of my application for the ration card by means of application for the sole reason that my children have not enrolled for Aadhaar.

affidavit before the Hon'ble Court to bring certain limited facts in relation to the same.

I say that I pointed out to Ration Centre Officer representing the Ration Centre that the interim orders of this Hon'ble Court instructing all authorities to modify all circulars, forms and the likes to indicate that Aadhaar is not mandatory for availing any services. However, the said officer paid no heed and reiterated that Aadhaar was mandatory for obtaining a ration card.
- I say that I have visited the centre a number of times afterwards, where the authority maintained that my application for the card could not be processed because of my children not having Aadhaar numbers. I say that when I applied for Aadhaar enrolment for my children, both of them were below the age of 5 years for which their application was rejected and thus are not provided with the ration card.
3. I say that I am aware of the fact that cases are pending before the Hon'ble Supreme Court challenging the constitutionality of the Aadhaar project and that there are interim orders of the Court stating that Aadhaar shall not be made mandatory for any purpose. I have been permitted by the petitioner in the said case before the Hon'ble Supreme Court to file the present

affidavit before the Hon'ble Court to bring certain limited facts in relation to the same.

4. I say that I applied for a ration card in 2015. There was a huge delay of more than 6 months in responding to my application. I say that I have been visiting ration centre for the status of my application for ration card and Aadhaar centre for the enrolment of Aadhaar for my children.

5. I say that I was aggrieved by the inaction and the fact of the authority not giving me satisfactory information in relation to the status of the application.

6. I say that on the date of application around 6 months ago, I was told by the Ration Centre that Aadhaar was a mandatory requirement for applying for ration card and as I did not specify the Aadhaar number, the application could not be processed. I say that I pointed out to Ration Centre Officer representing the Ration Centre that the interim orders of this Hon'ble Court instructing all authorities to modify all circulars, forms and the likes to indicate that Aadhaar is not mandatory for availing any services. However, the said officer paid no heed and reiterated that Aadhaar was mandatory to obtain a ration card.

I say I have visited the ration centre a number of times afterwards, where the authority maintained that my application for the card could not be processed because of my children not having Aadhaar numbers. A ration card is very necessary for my family and Aadhaar has caused an impediment for me to get the ration card and access related services.

## Introduction and Context

The AP (Andhra Pradesh) state government installed electronic-POS (Point of Sale) machines at fair price shops to weed out bogus ration card holders. To get ration via e-POS machines it is required that the ration card holder and other members in the ration card have valid Aadhar cards. The ration card owner and other members on the card are then required to go to the nearest Mee Seva center and get enrolled. Enrolment process involves capturing photos, biometric and iris impressions of the beneficiaries by Mee Seva. Once the enrolment process is completed, it is the responsibility of MRO office to finish the Aadhar seeding which involves linking Aadhar numbers to the appropriate ration cards. Both Aadhar seeding and usage of e-POS machines together help identify and remove inactive, duplicate, non-existent and dead units registered under the Public Distribution System (PDS).

The AP Civil Supplies Department initiated e-POS machine based ration distribution in the month of May this year across several FP Shops (fair price shops) in the state. The results of this initiative revealed a mixed bag of interesting findings. Ration disbursement data captured from 5358 FP shops revealed that of 31, 00,419 existing ration cards about 6, 87,519 card holders did not take the ration in the month of May 2015. This is about 22 per cent of the beneficiaries. When FP shop-wise data was analysed it was found that in about 125 FP shops the percentage of left over ration card

holders is 50 per cent and above. Of about 85589 ration card holders in these 125 FP shops, nearly 50151 did not take ration in May 2015.

In this context AP Civil Supplies Commissioner roped in the services of SSAAT (Society for Social Audit, Accountability and Transparency) to find out the actual reasons behind the huge number of left over beneficiaries. SSAAT was asked to do a quick audit/survey of 5 FP shops across 3 districts of Anantapur, Prakasam and Nellore. Accordingly one FP shop each, in Mudigubba mandal in Anantapur district, Cheemakurthi and Ongole in Prakasam district and Allur and Nellore (urban) in Nellore district were chosen and audit was done on the 29th and 30th of May 2015.

## Methodology

122

The methodology adopted for this audit was to meet the left over beneficiary directly and get first hand information about the ration not taken in the month of May 2015. Also a quick interaction with the FP shop dealer to get her/his opinion was incorporated as part of the survey. Accordingly two tools have been adopted –

- Door-to-door survey<sup>1</sup> of each of the sample left over beneficiary
- An informal conversation with the FP dealers

## Sample

The sample districts and mandals were chosen based on the suggestion of the Commissioner AP Civil Supplies. The FP shops were chosen based on the percentage of left over ration card holders and also to get a blend of rural, semi-urban and urban scenarios. The FP shops included in the survey are –

1. FP Shop No. 1238025 in Mudigubba mandal of Anantapur district
2. FP Shop No. 829007 in Cheemakurthi mandal of Prakasam district
3. FP Shop No. 881005 in Ongole mandal of Praksam district
4. FP Shop No. 915001 in Allur mandal of Nellore district
5. FP Shop No. 982970 in Nellore (urban) of Nellore district

The details of left over ration card holders in each of these 5 FP shops is as follows –

Mandal	FP Shop No	Total Cards	Left Over Cards	% Left Over
Mudigubba	1238025	527	458	86.91
Cheemakurthi	829007	627	323	51.52
Ongole	881005	470	245	52.13
Allur	915001	1518	788	51.91
Nellore	982970	1497	894	59.72

Considering the time frame within which the audit had to be completed, it was decided to limit the sample size to 20% of left over ration card holders in each FP shop. Further, since the sample also included urban areas where the residences of the ration card holders can be widely spread geographically the sample size of 20% was considered feasible. Accordingly the number of left over ration card holders that were included in the survey is as follows –

Mandal	FP Shop No	Left Over Cards	Sample met
Mudigubba	1238025	458	103
Cheemakurthi	829007	323	82
Ongole	881005	245	93

124

Allur	915001	788	203
Nellore	982970	894	309

(It can be seen that the sample met is more than 20% in all the mandals as some of the beneficiaries were not available at the time of survey/audit and/or there were fake addresses)

## Human Resources

SSAAT deployed its DRPs (District Resource Persons) for this task. 25 DRPs were engaged and allotted to the above districts based on the number of beneficiaries to be met. Accordingly, Nellore being the highest got 9 DRPs allotted, Allur 6, Ongole 3, Cheemakurthi 3 and Mudigubba 4. Each DRP met around 30 left over ration card holders on an average. All the DRPs were given complete list of the left over beneficiaries (that was shared with SSAAT by AP Online) from which they were asked to choose the 20 per cent sample covering as many geographically distributed households as possible. Orientation on the survey and the format was given by SSAAT state team to the DRPs over phone. The survey/audit started on the 29th and continued till 30th morning. Post survey, the DRPs were also engaged for data entry of the survey results. The data entry finished by 30th evening.

## Overall Findings & FP Shop-wise Findings2

The audit of the 5 FP shops in Mudigubba, Cheemkurthi, Ongole, Allur and Nellore majorly indicate 9 reasons for the huge number of left over ration card holders in the month of May. Livelihoods practiced by the beneficiaries have shown a visible impact on the left over numbers in some mandals like for instance Ongole. The major reasons include –

1. Finger print authentication failure
2. E-POS machine was not used and ration was given manually as the FP shop dealer did not have required knowledge of using the machine. This reason is prominent in Mudigubba FP Shop
3. The beneficiary was not present during the days when the ration was given
4. The beneficiary was not available at the address when the survey was done – this includes two reasons – a. Beneficiary just stepped out of the house which is a very small percentage.  
b. Beneficiary permanently migrated to another place. This came out as a major reason.
5. Beneficiary has multiple cards and ration is being taken on the other card.
6. Aadhar number mis-match. There were two reasons significantly stated –

- a. The aadhar number did not match with the ration card number
  - b. The name of the beneficiary did not tally with the aadhar number
7. In Allur the dealer said to several beneficiaries that the name of the ration card owner is not seeded in the POS machine and therefore they will not get ration. However when the due process is enquired from the district officer, it is understood that the dealer is using this excuse to discourage people from using POS machines.
8. In Nellore lot of fake addresses have been unearthed.
9. The ration card holder does not have knowledge of existence of the ration card. The following are FP Shop-wise findings –

Findings from FP Shop 1238025 – Mudigubba

It is not clear if the manual distribution of ration was done because the dealer genuinely did not have knowledge of using the POS machine or if the dealer was attempting to discourage people from using POS machines. However, the beneficiaries stated that the dealer did not have good knowledge of using the POS machine.

The audit included 35 beneficiaries from two slum areas who engage in mobile livelihoods like selling plastic items in the neighbouring villages, head loaders etc. Before introduction of POS machines their relatives used to collect ration for them. But with the introduction of POS machines it is mandatory that the beneficiary herself/himself is available for collecting the ration. This is how 35 beneficiaries missed collecting ration in the month of May.

Nellore threw up an interesting finding – Fake Address were found on 149 cards in Rajiv Gandhi colony and Deendayal colony. Further, while the actual dealer registered in the system is Banka Ramgopal Reddy, the FP Shop is being run by Ms Neelima for the past 6 years. Statements reflecting this are present in the Annexure section.

(2) Sr. TD (NIC) for necessary provisions in NREGASoft.

**Sub: MGNREGA on DBT platform in 300 districts from 1<sup>st</sup> April 2015**

Madam/Sir,

As you are aware that MGNREGA has been notified under DBT scheme by the Ministry of finance covering 287 districts under MGNREGA vide their letter dated 12.12.2014. In continuation to this, it has been decided that direct cash transfer takes place only on DBT platform from **01.04.2015** onwards.

2. In order to operationalise this, the following steps are to be taken by the States in these 300 districts:

- a) Concerted effort for **collection of Aadhaar numbers** of workers who are already enrolled for Aadhaar; and seeding that data in the NREGASoft database, so that it can be completed by end- March 2015.
- b) **Organization of special enrolment camps** for those workers who missed enrolling for Aadhaar. This should be done in consultation with the State Registrar for Aadhaar. The planning of the location (and the duration) of these special camps may be carefully done keeping in view the number of workers left out of enrolment, to ensure ease of access.

3. In order to achieve the above, the following is the proposed action plan:

- a) With effect from 1<sup>st</sup> April 2015, the Aadhaar or EID number (in case if, Aadhaar number is not available) of the workers shall be noted at the time of registration of demand. The facility to note these details will be made available in NREGASoft from 23<sup>rd</sup> February onwards.
- b) In case any worker has not yet got enrolled for Aadhaar, it shall be the responsibility the Block Development Officer to arrange to escort such worker to the nearest Permanent Enrolment Centre (PEC) and get the enrolment done. The cost of travel to the PEC shall be met from the administrative costs and shall not be loaded on to the worker. As soon as the enrolment is done, the BDO or the representative of the Block administration shall enter the Enrolment ID (EID) in the database.

However, the demand for work shall be honoured till the EID number is obtained.

- c) All DPCs may be requested to facilitate organizing focused enrolment camps to complete enrolments in those areas where substantial number of workers are left out of enrolment.
  - d) In order to seed the Aadhaar numbers of the workers (who already have got Aadhaar numbers) in the database, PO/ BDO of the respective Blocks shall be assigned the task of quick and accurate collection of the Aadhaar numbers by deputing the GRS or Panchayat functionary to the residence of the workers. This action needs to be driven by the District Collectors so as to reach conclusion before 31<sup>st</sup> March 2015. The daily progress in this regard may be monitored by the MGNREGA Commissioner at the State level. In order to monitor this, a village wise report is available in NREGASoft MIS Reports (**Ref: NREGASoft MIS Report R.19.1: - List of active workers without Aadhaar number**).
  - e) Further, the Aadhaar numbers of workers shall be presented in the Bank branch concerned with a request to seed in their database and placed on NPCI mapper.
4. Further, it is found that there are more than 85 lakh Aadhaar numbers which are pending cross-check by the Programme Officers in view of discrepancies found during the UIDAI's demographic authentication process. (**Ref: NREGASoft MIS Report R19.6**). A drive may be launched for checking these records and the backlog shall be fully cleared by 31<sup>st</sup> March 2015.
5. In order to monitor the implementation of the above strategy, it is proposed to have a Video-Conference with State level DBT teams **every Saturday** starting **from 21<sup>st</sup> February 2015**. It is requested that an immediate strategy session may be held with all the District Collectors in the matter for smooth implementation of the given tasks within the given time limits.

Yours faithfully

Dear \_\_\_\_\_,

I am writing in connection with the application of the Direct Benefit Transfer (DBT) mode for the Contrally Sponsored Scheme of National Means-cum-Merit Scholarship Scheme (NMMSS) and National Scheme of Inventive of Girls for Secondary Education (NSIGSE) administered by the Department of School Education & Literacy with 100% funds from the Central Government. Both these schemes are covered under Direct Benefit Transfer scheme launched by the Government of India on 01.01.2013 and transferred into their bank accounts through the Public Financial Management system (PFMS) platform. Whether Aadhaar numbers of the students are available, payment of these scholarships is being made into their bank accounts through the Aadhaar Payment Bridge (APB).

2. It has been decided by the Government of India that Direct Benefit Transfer to individual beneficiaries under these schemes

154

takes place only on DBT platform from the next financial year towards. This can be achieved only if the bank accounts of the targeted beneficiaries are linked to their Aadhaar numbers. Dr. Satbir Bedi, Joint Secretary in my Department has already written to the Principal Secretary/Secretary, Secondary/School Education in your State vide letter dated 23.01.2015 in this regard.

3. I request you, therefore, to kindly issue instructions for ensuring that the process of (i) enrolment and issue of Aadhaar numbers to all eligible students and (ii) the seeding of the bank accounts of the beneficiaries with their Aadhaar numbers is completed within the next three months, so they can benefit from DBT transfers, under these tow schemes.

Dr. NAJMA HEPTULLA

FTS No. 11/9 MAM/2-15

Ministry of Minority Affairs

Government of India

13 January, 2015

Dear

I am writing to apprise of some of the programmes and initiatives my Ministry has launched in recent months for the upliftment of the minority communities in our Country. One of the focus areas of such initiatives is the scholarship at the pre-matric and post-matric levels and the merit-cum-means based one. The Scholarship Scheme, which was earlier formulated as collaborative scheme of the Centre and the State on a 75:25 basis, is currently a fully centrally sponsored one.

The post-matric and the merit-cum-means scholarships and distributed through the Direct Benefit Transfer (DBT) mode to the students' bank accounts. I am, now, keen that the pre-matric scholarship scheme also is delivered to the beneficiaries through the DBT mode from this year. This can be achieved only if the accounts of the targeted beneficiaries are linked to their Aadhaars.

I would, therefore, request you to take the necessary initiatives to ensure the full Aadhaar enrolment of all the minority communities' students in your State, so that their bank accounts, already existing or being generated through the Prime Minister's Jan Dhan Yojana,

1 156  
can be seeded with their Aadhaars. This will enable us to extend the full benefit of this scholarship also to the deserving students, without delay and with transparency.

With warm regards,

Yours sincerely,

D.O. Letter No. 4-1/2014-SS

Dear Chief Secretary,

I am writing this to draw your kind attention to an important issue relating to direct disbursal of scholarships to students belonging to minority community.

2. As you may be aware that under the Post-matric scholarship and Merit-cum-Means based scholarships schemes of this Ministry, the scholarships amount are being credited directly into beneficiaries bank account through Direct Benefit Transfer (DBT) mode from 2014-15. Government of India has decided to extend the DBT mode of payment to beneficiaries under Pre-matric scholarship scheme and directly credit to the students' bank account from 2015-16.

3. In order to avail benefits under these three scholarship schemes, students must have bank accounts in their own name. however, students in classes I to VIII, may use the bank account to

their parents (preferable mother) or a bank account under Prime Minister's Jan Dhan Yojana.

4. Going forward, the successful implementation of the DBT requires that the bank accounts of students (or their parents) be seeded with their Aadhaar number. The deadline to complete this seeding process is February, 2015.

5. I, therefore, request you to kindly issue instructions for ensuring suitable time bound action to enable transfer of scholarship by completing the processes of i) enrolment and issue of Aadhaar to all eligible students; ii) opening of bank accounts; and iii) seeding of the Aadhaar with the bank accounts.

With Kindly Regards.

Yours sincerely
